

Healing Cross Project Donation Letter

Dear Benefactor,

The Healing Cross Project (HCP), a non profit organization that promotes human suffering, was founded by the family of Derrick Courtney after his passing from Myasthenia Gravis.

To honor his legacy, HCP hosts an annual fundraising event called, “Derrick’s Night.” The proceeds directly provide financial support to those navigating profound challenges in the midst of insurmountable suffering.

Our charity work demonstrates that by supporting the well-being of others, we bring deeper meaning and fulfillment to our own lives. The contributions of a few can have a huge impact on many. We invite you to be part of something bigger than all of us.

Please consider making a charitable donation in any form—whether monetary, goods, services, or your time. Your support allows us to make a meaningful difference in the lives of those who need it most.

Blessings,

Kim Courtney
